THIS AGREEMENT DESCRIBES THE TERMS AND CONDITIONS OF YOUR PARTICIPATION IN A MINNESOTA COMMUNITY SOLAR FARM. THIS AGREEMENT, AND YOUR PAYMENT HEREUNDER, ENTITLES YOU SOLELY TO SOLAR BILL CREDITS ON YOUR UTILITY BILL, WHICH MAY ONLY BE USED TO OFFSET YOUR OWN ELECTRIC UTILITY USAGE, AND YOU WILL NOT RECEIVE ANY OWNERSHIP INTEREST IN THE SYSTEM OR OTHER ATTRIBUTES OR COMMODITIES ASSOCIATED WITH THE COMMUNITY SOLAR FARM, NOR ANY PROFIT (THROUGH ANY TAX CREDITS, REBATES, EARNINGS, CAPITAL APPRECIATION OR OTHERWISE) RELATED TO EITHER THE COMMUNITY SOLAR FARM OR ENTERING INTO THIS AGREEMENT.

Description of Community Solar Farm

The Clearway Community Solar farm facility (the “Community Solar Farm”) will be a solar photovoltaic system located in the service territory of Northern States Power Company, doing business as Xcel Energy (“NSP”) (the “Service Territory”). You must be a retail customer of NSP, and live in the same Minnesota county or in a Minnesota county adjacent to the county in which the Community Solar Farm is located, in order to become a subscriber of the Community Solar Farm (“Subscriber”). For each kilowatt-hour of electricity generated by the Community Solar Farm in a monthly billing period and delivered to NSP, NSP will provide a bill credit (“Solar Bill Credit”) to you to compensate for your beneficial share of the solar photovoltaic electricity produced by the Community Solar Farm. The Solar Bill Credit dollar value is calculated pursuant to the approved Solar*Rewards Community Program tariff of NSP’s published rate book approved by the Minnesota Public Utilities Commission (the “Tariff”) and the Standard Contract for Solar*Rewards Community (the “PPA”) to be entered into by and between Clearway Community Solar and NSP in accordance with the Tariff whereby NSP will agree to purchase all of the photovoltaic energy produced by the Community Solar Farm and to pay for such energy by providing Solar Bill Credits to subscribers to the Community Solar Farm. For this agreement (together with the Exhibits hereto, the “Agreement”), the Solar Bill Credit will be determined by NSP. The Solar Bill Credit rate will change during the Term based on changes in the Solar Bill Credit determined by NSP. Subject to the terms and conditions of this Agreement, you will be allocated Solar Bill Credits based on your allocated portion (percentage) of the total nameplate capacity of the Community Solar Farm (the “Allocation Amount”). Your Allocation Amount can be no more than 120 percent of your historical usage at the time of enrollment. The Solar Bill Credits allocated to you will appear on your monthly invoice for retail electric service from NSP and will offset charges that appear on that invoice. If the Solar Bill Credits exceed the amount you owe in any billing period, the excess portion of the Solar Bill Credit will be carried forward to the next billing period. Solar Bill Credits will be carried forward for at least a twelve-month cycle, after which NSP shall purchase all Solar Bill Credits with the billing statement that covers the period including the last day in February and restart the credit cycle on the following period with a zero credit balance.

This Agreement is between “you” or “customer” (which includes the property owner and any co-owner listed above, together with any estates, heirs, successors and permitted assigns), and Clearway Community Solar LLC, a Delaware limited liability company located at 100 California Street, Suite 650, San Francisco, CA 94111 (together with its successors and assigns, “Clearway Community Solar”, “Owner”, “we” or “us”). The two parties are collectively the “Parties” and each a “Party” to this Agreement.

1. Contents of Agreement:

Pursuant to this Agreement, in consideration for your payments, you will be entitled to receive a portion of the Solar Bill Credits generated by the Community Solar Farm equal to your Allocation Amount. We may update your Allocation Amount from time to time to reflect your historical electricity consumption data.

Your Allocation Amount does not represent an ownership or other interest in the Community Solar Farm, or in any solar panel or other equipment or the real estate on which the Community Solar Farm is located, nor does it entitle you to receive any portion of the actual electricity generated by the Community Solar Farm or of any attributes (including, without limitation, renewable energy credits (“RECs”) or commodities associated with the Community Solar Farm or such electricity other than the Solar Bill Credits. You acknowledge that this is a service contract and Clearway

Community Solar is not a utility. This Agreement is comprised of the body of the Agreement and the following attached exhibits (the "Exhibits"):

Exhibit 1 is the Solar*Rewards Community Subscriber Agency Agreement and Consent Form ("Agency Agreement") that is required by NSP to assign you, the Subscriber, to a Community Solar Farm. When you sign this Agreement, you agree to the terms of the Agency Agreement and will execute the Agency Agreement at the same time that you execute this Agreement. Once we've identified the Community Solar Farm you will be assigned to, we will provide you a completed copy of the Agency Agreement. You hereby authorize Clearway to designate the Community Solar Farm to which you will be assigned, and to change your designated Community Solar Farm as Clearway reasonably deems necessary in its sole discretion. We may, from time to time during the Term, request that you execute a new Agency Agreement to facilitate application of your Allocation Amount to a different Community Solar Farm, in which case we will provide you with an updated document for your records. You agree to so execute a new Agency Agreement within seven (7) days of Clearway's request.

Exhibit 2 is the Notice of Cancellation to be used if you decide to exercise your right to cancel this Agreement.

2. Term:

- a) The term of this Agreement (the "Term") begins after it is signed by you, unless terminated earlier pursuant to the terms hereof, will end on the twenty-fifth (25th) anniversary of the first day of the first full month upon which commercial operation of the Community Solar Farm is achieved ("Production Start Date").
- b) We will advise you of the Production Start Date.
- c) WE MAY REJECT THIS YOUR ENROLLMENT FOR ANY REASON BEFORE ASSIGNMENT TO A COMMUNITY SOLAR FARM SHOULD YOU NOT MEET UNDERWRITING REQUIREMENTS OR FAIL TO PROVIDE ANY REQUIRED DOCUMENTATION, SUCH AS PAST UTILITY BILLS. WE SHALL HAVE NO OBLIGATIONS UNDER THIS AGREEMENT UNTIL WE INFORM YOU IN WRITING THAT YOUR ENROLLMENT IS COMPLETED AND YOU ARE ELIGIBLE TO RECEIVE SOLAR BILL CREDITS.
- d) We may deliver a copy of the Agreement to you by electronic means (e.g., via email or download).

3. Early Termination:

- a) **Rescission.** You may rescind this transaction, without any penalty or obligation, by submitting the Notice of Cancellation to us at any time prior to midnight of the third (3rd) business day ("Rescission Period") after the signing of this Agreement. See Exhibit 2, the attached Notice of Cancellation form for an explanation of this right.
- b) **Cancel Any Time.** You may cancel this Agreement any time after the Rescission Period through the end of the Term by providing us at least one hundred twenty (120) calendar days' written notice and paying a **\$0 cancellation fee ("Cancellation Fee")**. You agree that the Cancellation Fee is intended to reflect the damages that we would incur to cover the cost of replacing you as a customer and is not intended as a penalty. You will be responsible for all Monthly Payments and accrued fees for production periods through the date of termination, and will continue to receive Solar Bill Credits through the date of termination unless the account number on file at the time of cancellation is no longer valid. The Cancellation Fee will be waived upon receipt by Clearway Community Solar of documentation reasonably evidencing Customer's death prior to the end of the Term.
- c) **Moving.** If you move to a new residence, you are obligated to provide us written notice of your new residence address at least one hundred twenty (120) calendar days prior to your move. We reserve the right to require that you provide additional evidence documenting your move. If you move to a new residence and continue to be a customer in the Service Territory, this Agreement will continue, but you must provide us one hundred twenty (120) calendar days' advance written notice of your new residence address and new NSP account information. In the likely event that you open a new NSP account at your new address within the Service Territory, your new account may be subject to NSP review and approval for enrollment under its Tariff. We are not responsible for any actions or inactions by NSP. You will be responsible for all Monthly Payments due under this Agreement regardless of when any such changes take effect. If you move to a new residence and, provide us with one

You will be responsible for all payments (including, as applicable, estimated payments) due under this Agreement through the last full billing cycle and the partial billing cycle (if applicable) in the one hundred twenty (120) calendar days after you provide notice. Upon presenting acceptable proof of your move outside of the Service Territory, we will confirm in writing that you owe no cancellation fees other than payments required under this paragraph.

If we terminate this Agreement, we will not have any liability to you. We may terminate due to a change in law, regulation, interpretation thereof, decision, determination, or order related to the Community Solar Farm ("Change in Law") if: (i) as a result of the Change in Law you are no longer entitled to receive Solar Bill Credits on your bill, or (ii) the Change in Law, a change in utility rate structure, a change in the relationship of the Solar Bill Credit, or is reasonably expected to have, a material adverse effect on us or the applicable Community Solar Farm. You will be obligated to make payments to us for any Solar Bill Credits or estimated payments generated through the date of termination.

4. Payments:

- a) a) You will receive a 10 % discount on the value of the Solar Bill Credits generated by your Allocation Amount. You will pay \$0 upfront and \$0 before the Production Start Date. Following your assignment to a Community Solar Farm, you are responsible for paying the amount shown on monthly invoices sent by us to you. You shall make the payments set forth on each monthly invoice on or before the due date set forth on such invoice. For each monthly billing period, the Electric Utility will report to us the dollar amount of Solar Bill Credits generated by the Community Solar System and we will calculate your allocated portion of the Solar Bill Credits by multiplying that amount by your Allocation Percentage. The amount you will owe us will be 90 % multiplied by your allocated portion of the Solar Bill Credits (the "Monthly Payment"). The Monthly Payment will vary from month to month. You acknowledge that the appearance of Solar Bill Credits that the Electric Utility reports to us will generally be for net excess electricity generated by the Community Solar Facility during the prior Electric Utility billing month and may be subject to further Electric Utility delay, and that the appearance of Solar Bill Credits allocated to your Electric Utility account may also be subject to similar delays. The amount of the Monthly Payment may be adjusted pursuant to other terms and conditions of this Agreement, the PPA and the Tariff.
- b) Payments may be made by your choice of check, money order, credit card, or debit card, or by authorizing us to charge amounts automatically to your credit or debit card or deduct amounts automatically from your checking or savings account. To authorize such automatic payments, you may enroll by logging into your customer portal account at www.my-clearway.com or by calling us at 855-712-7508. **If you authorize automatic payments, then after the first three consecutive months of such payments, you will receive a credit of forty dollars (\$40) to your account on the following month's invoice.** If you elect to make payments by check or money order, then

you are responsible for mailing your payment to the following address:

Clearway Community Solar
Attention: Remittance Processing
P.O. Box 850717
Richardson, TX 75085

- c) You agree to pay interest on payments more than thirty (30) days past due of 1% per month, but not more than the maximum interest rate permitted by law. You also agree to pay a return check fee or payment denial fee of twenty-five dollars (\$25), but not more than the maximum permitted by law, each time your bank refuses or returns your check or electronic debit payment (as applicable).
- d) **Estimated Taxes:** The Monthly Payments do not include applicable taxes. We will be responsible for all income, gross receipts, ad valorem, personal property, or real property or other similar taxes and any franchise fees or similar fees assessed against us for our interests in the Community Solar Farm. We will not be responsible for any taxes assessed against you based on or related to your overall income or revenues. If applicable, you agree to pay, in addition to the specified Monthly Payment, any applicable federal, state or local sales and use taxes, and any other governmental charges on or related to this Agreement, as invoiced by us or imposed directly by your local jurisdiction, unless prohibited by law.
- e) **Billing Adjustments:** NSP will determine the amount of electricity generated by the Community Solar Farm based on a metering device at the location of the Community Solar Farm. In the event that we become aware of an error on an invoice for a prior billing period, we will endeavor to provide a billing adjustment on your next invoice. If NSP makes a billing adjustment and reduces the amount of electricity delivered from the Community Solar Farm, resulting in a decrease in the Solar Bill Credits allocated to you, we will reimburse you in the form of a credit on your next invoice for the amount of Monthly Payment you paid that was in excess of the Monthly Payment you should have paid based on the reduced electricity generated/Solar Bill Credit you received. If NSP makes a billing adjustment and increases the amount of electricity delivered from the Community Solar Farm, resulting in an increase in the Solar Bill Credits allocated to you for a period, we will invoice you on your next invoice for the additional amount of Monthly Payment you should have paid based on the increased electricity generated/Solar Bill Credit you received compared to the Monthly Payment you actually paid.

5. Customer Acknowledgments, Rights and Obligations:

- a) Except as expressly set forth in the Agreement, you will not have any rights or obligations with respect to the development, financing, construction ownership, operation or maintenance of the Community Solar Farm.
- b) You have no ownership or other interest in the Community Solar Farm or the actual electric generation of the Community Solar Farm and other than your allocated portion of the Solar Bill Credits, no right with respect to any attribute (including, without limitation, RECs) or commodity associated with the Community Solar Farm or such electric generation, nor shall you have any right to access the Community Solar Farm.
- c) You agree that you will cooperate with us as reasonably necessary to facilitate the compliance of this Agreement and the Community Solar Farm with (i) any regulatory requirements affecting this Agreement and in effect from time to time, (ii) the PPA, and (iii) the Tariff. You also acknowledge that Clearway may apply your Allocation Amount to a different Community Solar Farm at any time during the term. You agree to cooperate with us as reasonably necessary to facilitate any such application of your Allocation Amount to a different Community Solar Farm, including, without limitation, execution of a new Agency Agreement within seven (7) days of Clearway's request.
- d) You acknowledge that you are solely responsible for maintaining your customer account with NSP and you understand that the Solar Bill Credits you are allocated under this Agreement may only cover a portion of the usage appearing on your NSP invoices and any charges not covered by the Solar Bill Credits are your responsibility.
- e) You agree that we may obtain your NSP account information, historical electricity consumption data, current and
