You See the Sun Every Day

It's easier than ever to capture the power of the sun and save, thanks to Clearway Community Solar - the largest Community Solar developer in the United States.

Clearway's local renewable power program enables your home or business to **support clean energy generation without rooftop installation, maintenance, or upfront costs.**

We build and operate offsite solar farms throughout Massachusetts, taking your roof, and your time and effort, out of the equation.

The solar energy generated every month is sent to your community, and in return you **receive solar bill credits on your utility bill that reduce your electric charges.**

But You'll Never See It the Same Way

In just your first year as an Clearway Community Solar customer, your participation could support the environmental impact of:

Planting
7.8 acres
of forest in the U.S.

Offsetting greenhouse gas
emissions of a car driving
16,083 miles

Switching
243 light bulbs
to LEDs

Calculations based on estimated 9030 kWh of solar production in year one. Your solar production may vary. For calculations see <http://www.epa.gov/energy/greenhouse-gas-equivalencies-calculator>

★★★★★ **Phyllis A., Clearway Customer**

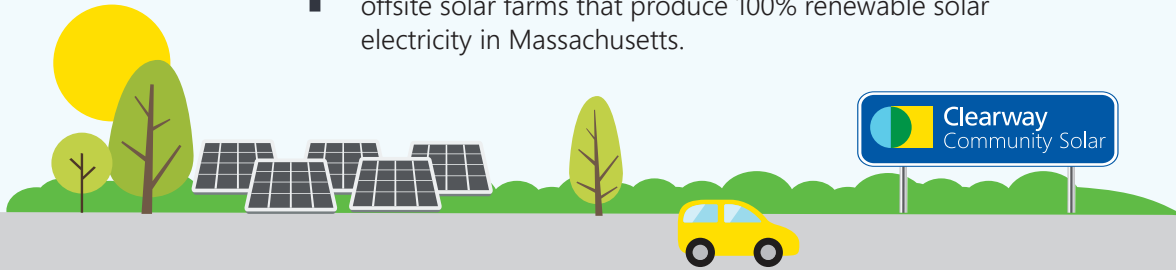

"I am very happy with Clearway. It has been 2 years since I went with Clearway and since then all my monthly electric bills have been zero. Clearway has increased their monthly bill by a few dollars. Still nothing to complain about. Thank you."

Your Path to Saving with Renewable Power

- 1** Clearway Community Solar builds, operates, and maintains offsite solar farms that produce 100% renewable solar electricity in Massachusetts.

- 2** You can subscribe to a portion of the solar farm appropriate for your home.

- 3** The solar energy produced by your portion of the farm is sent to the power grid, and you receive solar bill credits on your utility bill, reducing your electric charges.

- 4** The solar bill credits are applied directly to your utility bill to help reduce your electricity costs. You will receive a separate bill from Clearway Community Solar for the cost of the solar bill credits - **with a guaranteed 7% discount.**

Savings Guaranteed

Clearway Community Solar guarantees you will **save 7%** on the monthly cost of the solar energy generated by your subscription.

In return for your subscription, you receive solar bill credits automatically applied to your utility bill, reducing your costs.

Clearway will invoice you separately for the solar bill credits - at a guaranteed 7%¹ discount every month. That means for every \$1 received in solar bill credits, you are only charged \$.93.

¹ Savings based on a guaranteed 7% discount on the solar bill credits generated by your allocation from the Community Solar system. The impact of the solar bill credits on the utility charges can vary month to month due to seasonal variances affecting solar energy production. Actual savings may vary in the event the customer (i) cancels early, (ii) does not receive credits, or (iii) receives a reduced credit amount due to utility errors or delays. Clearway is not responsible for utility delays in applying solar bill credits. Refer to the community solar contract for agreement terms. Subject to credit approval and a 20-year agreement.

⁵ Clearway customers who cancel during the early termination period or after a solar farm is energized must provide 60-days' written notice of cancellation. Utility processing times to remove a customer from a solar farm may take up to six (6) additional months of billing cycles after the expiration of the notice period due to market regulations. Customers will continue to receive solar bill credits that reduce their utility bill and are responsible for payment on all production periods dated through the final termination date.

Clearway Community Solar Billing: FAQs

Q. Why do I receive a separate bill from Clearway?

A. Clearway's program is separate from your utility, and your energy supply is still through your local utility. Therefore, you will continue to receive your utility bill as usual, but now, your utility bill will show the solar bill credits resulting from your Clearway subscription, which reduces your utility charges. Clearway will send a separate bill to you for the solar bill credits at your contracted rate.

Q. Do I still need to pay my utility bill?

A. Yes, you are still responsible for paying your monthly utility bill. Your charges will be lowered by the solar bill credits applied to your bill.

Q. What Are Solar Bill Credits?

A. Every month, the solar energy generated by the solar farm is sent directly to the local power grid, and Clearway customers receive solar bill credits for the solar energy produced. The solar bill credits are applied directly to utility bills, reducing the utility charges.

Q. How Do I Pay My Clearway Bill?

A. **Pay Online:** You can pay your bill online at www.clearwaycommunitysolar.com – click on the green button in the right hand corner labeled "My Customer Portal." Log in to complete your payment.

Pay by Phone: You can call our customer support team at [1.855.712.7580](tel:1.855.712.7580) to complete payment by phone.

Pay by Check: You can mail a check to: Clearway Community Solar, P.O. Box 4387, Portland, OR 97208. Be sure to include your account number on your check.

Q. How do I sign up for AutoPay?

A. With AutoPay you'll enjoy the convenience of knowing your bill is always paid automatically, securely and on time. We make it easy and convenient for you to enroll in AutoPay: [Download the AutoPay form](#) and email it to customersupport@clearwayenergy.com.
